COMPANY PROFILE

Established in 1976, POL-KAR first dealt with all kinds of polyesters, thematic scene products, domes, thematic walls and decks etc.

At the beginning of the 1990's the company began to specialise in water slides, wavepool, rafting river and the production and installation of Aquaparks.

POL-KAR has exported and installed polyester products in more than 20 countries in the World.

POL-KAR has produced and installed polyester products in various sizes of more than 500 companies in Turkey.

TÜV CERT Certification Body of TÜV Industrie Service GmbH certifies in accordance with TÜV CERT procedures that POL-KAR has established and applies a quality management system for production, installation and sales of waterslides for waterparks and construction materials; production and sales of sea and lake boats from glassfiber reinforced polyester. Proof has been furnished that the requirements according to DIN EN ISO 9001:2008 are fulfilled in 2004. POL-KAR produces GRP products, waterslides, boats and motoryachts in his factory in ANTALYA, POL-KAR produces Fiberglass Waterslides with automatic machines .

Production will be made with RTM (Resin Transfer Molding) System.

The outer surfaces of the products will be of the same brightness as the inner surfaces.

Date of Establishment: 1976

Number of Employees: 50-100
